

Attention Parents:

All students entering 7-12th Grade must be immunized

Vaccine	Requirement
DTaP/Tdap Diphtheria, Tetanus, Pertusis	5 doses – DTaP (Diphtheria, Tetanus, and Pertussis) or 4 doses – DTaP, if at least one was on or after the 4 th birthday • Grade 7-12: 1 dose - Tdap (Tetanus, Diphtheria, and Pertussis)
Polio	4 doses – Polio or 3 doses – Polio, if at least one was on or after the 4 th birthday
MMR Measles, Mumps, Rubella	2 doses of MMR
Hep B	3 doses of Hepatitis B
Varicella Chickenpox	2 doses vacricella
MCV4 Meningococcal conjugate, quadrivalent	Grade 7-11: 1 dose of MCV4 Grade 12: 2 doses of MCV4. 2nd dose must be given on or after the 16th birthday, with at least 8 weeks between the 1st and 2nd dose. If 1st dose given after 16 years old, a 2nd dose is not required

Immunizations may be available through your child’s primary healthcare provider.

At this time, the Holmes County Health District is not offering outreach immunization clinics. Continue to monitor local papers for information. You can also contact the Health District at 330-674-5035 for more information.
