

# West Holmes Local Schools Athletic Transportation Policy

1. Adult Supervision on buses must be maintained at all times, before and after event, by school board appointed personnel.
2. It is recommended that all participants leave and also return to the school with their athletic team/extra-curricular group.
3. There are, however, some exceptions at the discretion of the coach/advisor and/or athletic director/principal. The parents of the participant may request other arrangements, if all parties are in agreement and a release form is submitted twenty-four (24) hours before the event to the coach/advisor.
4. It is recommended that the coach/advisor contact the parents to confirm the arrangements.
5. The coach/advisor should physically see the student arrive or depart with their parent(s) or legal guardian(s) with whom the arrangements have been made.
