Hello parents! I was glad to see so many of you here at conferences recently. If you were unable to come in, your child's teacher would still be happy to meet, simply contact them to schedule a time that works.

It is hard to believe that the holidays are quickly approaching. November is the time to reflect on what we are thankful for. As I do that, my job and your children are near the top of my "thankful list". I am so very glad that I have the opportunity to be here and to be a part of your children's lives. I wish all of you a wonderful Thanksgiving season, and I hope you feel as thankful and blessed as I am. Mrs. Woods ☺

Hello Millersburg Families. As the year progresses, we want to remind you of the importance of regular school attendance. Ohio law requires schools to notify parents when their child meets certain attendance thresholds throughout the year, regardless of the reason for the absence. Be sure to get a doctor's note for any appointments your child may have during the year and send those to the office. If you have any questions or concerns, please reach out. Mr. Fowler
