Call the building secretary where your child will attend school. You will be set up for a kindergarten screening appointment.

You will then receive an email on logging in to the district website and click on the Final Forms link. You will need to complete these forms to register your child by May 5, 2025.

Screening Dates are: May 28 - Nashville
May 29 - Killbuck, May 30 and June 2
Millersburg.

SOCIAL/EMOTIONAL LEARNING UPDATE

In January, students discussed how to best handle conflict with others. In K-2, students watched a short video of something that started as a little problem but it quickly turned into a big problem that involved too many people. Students then discussed how to best settle conflict with others. In grades 3-5, students created their own conflict situations and then discussed how best to handle the conflict.

In February, we will focus on student identity and how we can build a better community in Killbuck.
