From the Desk of Mr. Zimmerly,

April is here and with it is the 4th 9 weeks. But, with that being said, there are still 9 weeks of school left. This 9 weeks will fly by like the rest of the year. Knowing from years of experience, it is important to remind you that it is easy for students to slide into more of a summer mode as soon as the weather starts to warm, spring sports start up, etc.

Please encourage your child to stay focused, and to show good PAX at school and on the bus. There will be a lot of fun things that come with spring at school. When students have good attendance and are being respectful, those fun things can be enjoyed by everyone so much more.

Lakeville families, please notice the dates for spring testing. It is very important for students to be here those days so they can take their tests at the same time as their peers. Testing can be stressful for many students, but all we want is for them to take their time and do their best. Encourage your child to do his or her best, get a good night's sleep before testing, and eat a good breakfast at home or here at school on those testing mornings.

Thank you all for your continued support!

Enjoy your April!

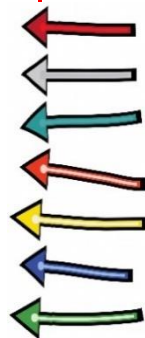

Sincerely,
Mr. Zimmerly
Principal
