

# INFORMATION FOR PARENTS

IF YOUR FAMILY LIVES IN ANY OF  
THE FOLLOWING SITUATIONS:

**In a shelter**

**In a motel or campground due to the lack of an alternative adequate accommodation**

**In a car, park, abandoned building, or bus or train station**

**Doubled up with other people due to loss of housing or economic hardship**

*Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act.*

---

Your eligible children have the right to:

- Receive a free, appropriate public education.
- Enroll in school immediately, even if lacking documents normally required for enrollment.
- Enroll in school and attend classes while the school gathers needed documents.
- Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference and is feasible.

\* If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.

- Receive transportation to and from the school of origin, if you request this.
- Receive educational services comparable to those provided to other students, according to your children's needs.

*If you believe your children may be eligible, contact the local liaison to find out what services and supports may be available. There also may be supports available for your preschool-age children.*
