From the Desk of Mr. Zimmerly,

Tis the Season for decorating, family gatherings, gift getting, gift giving...

One of the best gifts you can give your children is time. Time together making cookies, reading a book, watching a movie, or any other activity that you enjoy doing together. I know that the holidays are often filled with stress and busyness. But I truly hope that there is time and energy for you to find little or big moments to spend with your kids. Unlike that gift that your child has been talking about wanting forever, that can quickly get cast aside, those memories you make don't get broken or shoved under the bed. They will always have the memory of you decorating the tree together, or building a snowman or going to look at Christmas lights...

I would like to wish your family a Merry Christmas and hope that the time is filled with many good memories and time spent with family and friends.

Have a blessed holiday season!

Medication at School

Prescription and over-the-counter medicine at schools requires a **parent & doctor signature.**

- Forms are in the school office.
- Parent will need to bring the medication to the school.
Do not send medication on the bus.
- Please note any/all medication on your child's emergency medical form.
- Student's name should be on medication and kept in the original container.

Cold

Winter Recess

Weather in Ohio at this time of year is unpredictable. If recess is outside, coats need to be worn.

Please send a coat, hat, and gloves to school with your child so they will have something to wear if they go outside. Also send a sweatshirt in case it's cold in the classroom.

You may also send snow boot and snow pants if your child wants to play in the snow.

ACTIVITY FEES

Please remember to pay your child's activity fees. **School fees are \$10.00 per student.**

Please make checks/money orders payable to Lakeville Elementary School. These fees can also be paid through your PaySchools app that is used for lunches.
