Stock up on summer reading!

From the Desk of Mr. Zimmerly,

Greetings Nashville and Lakeville Parents,

I probably say this every April newsletter, but it is hard to believe spring is already here. The year has gone by very quickly so far. As we enter April there are a couple things I want to touch on.

Right to Read Week just finished up and I would like to thank staff members for planning fun activities for students at both buildings. Students and staff enjoyed participating in spirit days, having designated reading times, having special events like seeing how a hot air balloon works, learning about Brown's Bog in Shreve, and having the West Holmes FFA join us to lead activities.

Third, fourth, and fifth graders will be taking state tests in the next few weeks. It is important that your son or daughter gets plenty of rest and is at school so they can take part in the tests with their classmates. These tests are simply to show what they have been learning over their elementary years. Hopefully, they can all feel no stress as they take the tests.

On Friday, April 24th from 5:30-7:30 Nashville will be having their annual Fun Fair. However, this year games and inflatables are free for the kids. There will be food for families to purchase. Beyond just Nashville families, this is open to the entire community as a chance to tour the school and view old Nashville photos etc. Lakeville will have a similar event the following Friday, May 1 from 5-7 with the high school band and choir performing. There will be inflatables at Lakeville as well as food and school memorabilia to look at. We hope that you can join us for these evening community events.

Happy Spring!
Mr. Zimmerly

We will help with your spring cleaning....

Lakeville is having a Goodwill Fundraiser April 13 – April 24. Cleaning your house? Bring any clothes, shoes, coats, kitchenware, home décor, toys, blankets, etc.... to Lakeville and place them in the blue donation bins near the gym door.
